5th January 2016

Report on Two Week ISTE STTP on Introduction to "Structural Engineering" Under the National Mission on Education through ICT (MHRD, Govt. of India)

Poornima College of Engineering, Jaipur witnessed the inaugural ceremony of Two Week ISTE STTP on Introduction to Structural Engineering under the **National Mission on Education through ICT (MHRD, Govt. of India) on Monday i.e. January 04, 2016.** The occasion witnessed the presence of **Sh. Shashikant Singhi, Director General PF, Dr. Om Prakash Sharma, Director PCE, Mr. Sanjay Kumawat, Workshop Coordinator** along with Thirty Five (35) participants and faculty members of Department of Civil Engineering of various engineering colleges of Rajasthan. **Sh. Shashikant Singhi**, in his opening remarks, highlighted that advancement in structural engineering is more prominent in real estate development of all developing nations throughout the world. To produce good professional having sound knowledge of structural engineering is need of the day which is well taken care of by IIT Bombay. He added that advantage of this workshop should be taken by whole hearted participation during full six days workshop. Addressing the participants, he said that all have to **take a quantum jump to cop up as per industry need.**

Dr. Om Prakash Sharma while addressing the gathering informed that the workshop is an **important initiative by IIT Bombay and IIT Kharagpur** to work with Engineering Colleges in the country to enhance the teaching skills of our faculty colleagues in core Engineering and Science subjects. **He added that this is second phase of "Teach One Thousand Teachers" programme of MHRD, Govt. of India** which is likely to benefit faculty colleagues who are teaching subjects like **Structural Engineering & Analysis, RC Design, Design of Structure and Design philosophy** at the

undergraduate or the postgraduate level. Mr. Sanjay Kumawat proposed the Vote of Thanks to all dignitaries and participants from various colleges of Rajasthan.
