Intellectual competitiveness is a vital for student to be a vibrant professional in **technical & management education**. So apart from the usual curriculum, students are exposed to a set of diverse activities for enhancing their knowledge & skills. These scientifically designed inter-disciplinary skills help in smooth transition from classroom to boardroom. To enhance employability, three basic skills- cognitive skills, functional skills and people skills are mainly focused at Poornima Group of Colleges.

ANECDOTES OF SUCCESS

Global Tie-up : To avail opportunities like student/faculty exchange programmes, study abroad programmes, joint international conferences and seminars, Poornima Foundation has collaborated with Asian Institute of Technology, Bangkok (Thailand) & Hanyang University, Korea.

Wipro Mission 10x : The Mission 10X Technology Learning Center (MTLC) established at PGC in association with WIPRO, helps the learners to imbibe higher forms of learning using a practice based approach.

Infosys Campus Connect : Tie-up with a software giant - INFOSYS provides training to faculty and students in the field of technology to increase their knowledge & to decrease the gap between academics and industry.

Tata Consultancy Services (TCS) : PCE was the first technical institute in Rajasthan to get accredited by TCS for regular campus recruitment.

IBM Training Programme : PCE is designated as centre of excellence by IBM. IBM training is aimed in the arena of Rational Application Developer (RAD) & DB2.

Campus Recruitment Training : A unique programme to groom Poornimities as smart & skilled professionals to face global challenges posed by recruiters. The training includes Practice sessions, Technical Training, Motivational and Inspirational sessions by Corporate Trainers.

P-Proskep : Poornima Professional Skills & Knowledge Enhancement Programme is to enhance the employability probabilities of the students by developing communication, behavioral, managerial and career management skills.

PEEM : A well structured & scientifically designed programme to enhance the employability skills like aptitude, reasoning & verbal ability. It gives an extra edge to Poornima placements.

Aarohan Poornima : A techno-cultural-sports event, to encourage students to expose their talent and impart managerial and professional skills. It also helps to develop team spirit and leadership qualities.

Prayogam : Prayogam is an attempt to showcase the outer world the technical flair & skills of the budding technocrats. Prayogam 2014 exhibited 530 Technical & Engineering Projects.

Gestion : An annual event to provide platform to budding managers to showcase their professional talents & their skills to meet the challenges of real world.

Aadhar : A unique initiative by PGC to promote technical attitude among budding engineering right from 1st year itself.

Orientation Program: " PEHLA KADAM", a orientation program organized for first year students to make them adapted with the culture of Poornima Foundation

Manthan: An Inter College Debate Competition gets organized every year on the occasion of Engineers' Day. The event includes participation of debaters from PF as well as from colleges of Jaipur and Rajasthan

CONFERENCES & WORKSHOPS @ 2014-15

QEEE 2014: A workshop on "Quality Enhancement in Engineering Education" conducted by IIT, Madras and sponsored by MHRD took place in Poornima College of Engineering, Jaipur from 27 January - 27 March, 2015. Students and Faculties were benefitted with intellectual advantage of leading technical institute of India.

ICRAIE-2014: An IEEE International Conference on "Recent Advances and Innovations in Engineering (ICRAIE-2014) was organized from 9-11 May, 2014. The conference was technically supported by IEEE in association with ISTE, IETE, IEI and ISLE.

ICRCWIP 2015: First International Conference on Recent Cognizance in Wireless Communication & Image Processing on January 15-16 January, 2015. Technical Co-sponsors of ICRCWIP were OSA, ISTE, ICRS, and IETE. Recent Trends and Developments in communications were mainly focused.

WIPRO 10X Mission: A three-day Faculty training workshop was organized at Arbuda Convention Center by Mission 10X, Wipro Technology, Bengaluru from 6-8 January, 2015. The Participants were exposed to different activities for Communication skills, Team work and Deep learning in technical education.

ISTE Workshop on Cyber Security: Two Weeks ISTE workshop on "Cyber Security" was organized at Poornima College of Engineering, Jaipur under the National Mission on Education through ICT (MHRD, Govt. of India) conducted by IIT Bombay from 10 June-20 July, 2014

ISTE Workshop on Computer Programming & Computer Networks : A 2-Week ISTE workshop on "Computer Programming" was organized from 16-21 June, 2014 and on "Computer Networks" from 30 June - 5 July, 2014 at PCE in association with IIT Bombay under the National Mission on Education through Information and Communication Technology (NMEICT).

ISTE Workshop on Control Systems: A two week ISTE workshop on "Control Systems" was organized at PCE from 2-15 December, 2014 by IIT Bombay under MHRD Mission.

ETMEPP-2015 : National Conference on 'Emerging Trends in Mechanical Engineering in Education & Professional Practices' was organized by the Department of Mechanical Engineering, Poornima Group of Institutions, Jaipur on 28 February - 1 March, 2015. The Conference was organized in association with IE, ISTE & ISHRAE

National Conference on Advances in Refrigeration & Energy Systems : A National Conference was organized by the Department of Mechanical Engineering, Poornima Group of colleges, Jaipur on 14-15 March, 2015. The focus was to save the energy for the benefits of upcoming generation.

HEAR THEM SPEAK

"In engineering picnic means industrial visits Believe me, they were never less than a picnic. Visits to book fairs, industries, plants were always educative but filled with fun. After all, you can enjoy anywhere and everywhere with friends around."
Khushboo Tyagi, (IV Year, IT, PCE)

"Events like Department Day, Kalanidhi, Hostel Day, Aarohan etc. provide immense exposure and opportunity to learn management skills. I always actively participated in them."
Ashutosh Goswami, (IV Year, EC, PIET)

To develop a sense of responsibility in young technocrats towards the nation, our college provides opportunities to participate in social activities. I would like to thank the management of Poornima for taking us out on such a soul stirring visit which developed a feeling to serve our nation.
Apoorva Singh, (IV Year, CS, PGI)

"My tutor is my friend, philosopher and guide. Every student here has a faculty tutor who gives individual attention to the various problems of the students under their charge. Tutors here are so friendly that students in no time develops a sense of belonging to them."
Rajat Singhal, (IV Year, ME, PCE)

"As I am from Hindi medium background, I was not able to match the level of competition due to my communication skills. In Poornima, I found P-PROSKEP as my backbone. Experiments by students are always motivated by the faculty members here for creative output."
Ayushi Gupta, (IV Year, CS, PIET)

Life at Poornima was rocking, enjoyed every moment, and celebrated each & every festival with great enthusiasm, had fun & last but not the least vibrant studies during exams. When in college there was strong dislike for the strict discipline, practiced there. Today, I realize how systematic my life has become due to it.

At Boys Hostel, we join various hostel clubs, Mentor Classes, which in an innovative way of exploring hidden talents, implementing new ideas, developing hobbies as well as brushing minds. I am grateful to chief warden for building & maintaining healthy and fantastic atmosphere at hostel.
Akash Panwar, (IV Year, Civil, PGI)

"My confidence spells the result in my personality. I can assure that PGC is the only group in Jaipur that takes so much pain for the development of communication techniques of the students, which includes a wide range of activities, guest lectures and workshops."
Mayank Mandrelia, (II Year, MBA)

It feels great when our college makes every effort to keep in touch with us, even after passing out. It's amazing to see how every student passing out is individually cared by Poornima. Hats off to my faculties and my Lovely College for making each one of us always feel a special part of Poornima.
Taniya Sharma, (Placed in Infosys)

I appreciate the Infrastructure and Facilities provided at Poornima Group of Colleges. This is excellent place for learning, building confidence and exposure to creativity & art.
Prof. (Dr.) Nanjae Cho
 Hanyang University, Seoul, South Korea

My daughter got admission in Poornima and has undergone tremendous positive change in attitude and behaviour. We have heard about the reputation of college and with the development implanted in our daughter, I undoubtedly can say it holds to its standard. Facilities like Online Examination, Library, Labs, Infrastructure and Regular Assessment are worth praising.
