### M. Tech. at Poornima

After making a name in B.Tech. & MBA, Poornima Group of Colleges is also imparting its academic excellence in the field of higher Technical Education by M.Tech. Program at PCE Campus.

It offers 2 years full time M.Tech. Program in :

- ▶ Computer Science
- ▶ VLSI
- ▶ Power System
- ▶ Software Engineering
- ▶ Digital Communication
- ▶ Production Engineering

विगत 12 वर्षों में पूर्णिमा ग्रुप ऑफ कॉलेजेज के 4000 से अधिक छात्रा एवं छात्राएं सफलतापूर्वक तकनीकी एवं प्रबन्धन शिक्षा अर्जित कर भारत एवं विश्व के अग्रणी उद्योगों एवं संस्थानों में अपनी विशेष पहचान एवं आयाम स्थापित कर रहे हैं।

## Poornima Institute of Engineering & Technology (PIET)

**PIET**, a Pioneer Institute, complementing the track record of PCE in all terms such as Admission, University Results, Training and Placements. **PIET** is putting its full potential in all dimensions to generate excellence in academics and in over all development of its students to shape their future in the ever growing field of Engineering & Management. **PIET** is acting as center for all the major activities of the PGC.

### At A Glance

- **83% placement** of the Batch 2011-12
- **Aesthetically designed** infrastructure
- **Arbuda Convention Center** : a Multimedia Auditorium with 500+ seating capacity

Experiencing The Quantum Jump

# Anecdotes of Success...

## ● Tata Consultancy Services (TCS) ||

Poornima College of Engineering is proudly associated with Tata Consultancy Services (TCS); a premier company in the software sector. The college is the **first technical institute in Rajasthan** accredited by TCS for regular campus recruitments. TCS accreditation aims at facilitating industrial-academia interface by providing training to faculties & students in the latest state-of-the-art technology and working systems.

## ● NBA Accreditation ||

PCE was accredited by NBA in the Departments of Electrical Engineering, Electronics & Communication Engineering & Computer Engineering. The inspection for NBA accreditation in Mechanical Engineering was held on 25-27 May 2012. The past track of PCE in the field of academic excellence, University results, placements etc. has made it possible to achieve this milestone.

## ● INFOSYS Campus Connect ||

Tie-up with another software giant - INFOSYS is again to increase the academia-industry interface. INFOSYS provides training to faculties and students in field of technology to increase their knowledge & widen their horizon.

## ● IBM Training Programme ||

PCE is designated as centre of excellence by IBM and the students privileged to be trained by professionals from IBM. IBM Training is aimed in the arena of **Rational Application Developer (RAD) & DB2**, which are specially designed programme for Web Based Application and Database Management.

## ● Campus Recruitment Training ||

A unique program to groom Poornimites as smart & skilled professionals to face global challenges posed by recruiters.

**The training includes -**

- Practice Sessions on Aptitude Test, Group Discussion & Personal Interview by **Professional Institutes**
- Technical Training on Software Development, Robotics, AutoCAD and Electronics by **Industry Experts**
- Motivational and Inspirational sessions by **Corporate Trainers**

## ● P-PROSKEP ||

The acronym stands for Poornima Professional Skills & Knowledge Enhancement Programme. The programme enhances the employability probabilities of the students by developing their communication, behavioral, managerial and career management skills. It aims to incorporate development of professional skills and lateral knowledge of the students. It provides an opportunity for the students to explore themselves beyond the set limit of their university curriculum.

## ● Aarohan Poornima ||

A techno-cultural sports event named Aarohan is annually organised by PGC. The fest involves intra as well as inter college competition. The motive behind this event is to encourage student to expose their hidden talent and impart strong managerial and professional skills. The student are encouraged to handle the events in order to promote their planning and execution skills.

## ● Prayogam ||

PGC humbly takes the social responsibility towards creating awareness about the latest developments. Prayogam is an attempt to showcase the outer world the technical flair & skills of the budding technocrats of PGC. Highlights of Prayogam 2K12 are :

- 672 Technical & Engineering Projects
- Documentary on Socio-Techno Issues
- Posters & Charts Exhibition
- Panel Discussion & Counseling

## ● Global Tie-up ||

For International Exposure PGC has collaborated with Asian Institute of Technology, Bangkok (Thailand), an international institute of high repute. This enables PGC to avail opportunities like student/faculty exchange programmes, study abroad programmes, joint international conferences and seminars. The collaboration opens varied avenues for PGC students to gain cross-cultural experiences.

# MBA at Poornima

PGC has two management institutions. Though having distinct identity, they run under a common philosophy for all academic as well as extra and co-curricular activities for mutual benefit and optimized utilization of facilities & resources.

## Poornima School of Management (PSOM)

For an efficient techno manager, a combination of technical and managerial skills are essential to meet the challenges of industry. Proving this philosophy in its action, the flagship department of PGC in the field of management has come up with flying colours in a span of five years. Poornima School of Management (PSOM), devoted exclusively to MBA and other management programmes. It is the top institute among PGC in terms of RMAT admission cut off & University results.

## Department of Management Studies (PIET)

The second edition of PGC started its management programme in the session 2008-09. PIET (DMS) has attained the benchmark of PGC by providing comprehensive managerial skills to the incumbents. As a part of Poornima Institute of Engineering & Technology the Department of Management is committed towards the benchmark & quality performance of PGC.

# COURSES

POST GRADUATION

## M. TECH

**PCE : 108 Seats**

M. Tech is an expansion of B. Tech. It is a course with emphasis on specialization with exposure to research and development.

M.Tech programmes are conducted in :

- Computer Engineering : 18 Seats
- Software Engineering : 18 Seats
- Digital Communication : 18 Seats
- VLSI : 18 Seats
- Power System : 18 Seats
- Production Engineering : 18 Seats

## MBA

**PSOM : 180 Seats**

**PIET : 60 Seats**

MBA Course enhances professional attitude and cultivates ethics of corporate world. It inculcates and sharpens managerial capabilities to become an able technocrat, because global economy calls for creating and applying management knowledge. Challenges of international competition can be met only by nurturing a global mindset and futuristic approach to work.

Specialization in MBA are :

- Marketing
- Finance
- Human Resource

## E. & C. ENGINEERING

**PCE : 180 Seats**

**PIET : 120 Seats**

**PGI : 120 Seats**

Electronics and Communication Engineering has gained importance in recent years due to its versatile application in every facet of engineering field. It mainly deals with the principles of electronic devices and communication technologies along with the basic electronic components, design of circuits and systems. The branch also has very close link with the computer field.

## COMPUTER ENGINEERING

**PCE : 180 Seats**

**PIET : 120 Seats**

**PGI : 60 Seats**

The branch captures highest paid jobs in top-notch MNCs. This branch deals with both software and hardware aspects of computer, which provides us ways to speed up and optimize the work of common people. Presently, it has vast potential of job opportunities within and outside the country. The versatility of the branch has made the world a global village.

## INFORMATION TECHNOLOGY

**PCE : 60 Seats**

**PIET : 60 Seats**

Information Technology deals with the development, utilization, inter-relation and confluence of computers, networking, telecommunication, business and technology management in the context of global interest. It is the study of techniques involved in information creation, transmission, distribution and reception. It is a unique branch which is a blend of Electronics, Communication and Computer Science. In short, it is Computer Communication.

## ELECTRICAL ENGINEERING

**PCE : 240 Seats**

**PIET : 60 Seats**

This branch is one of the main branch of engineering, considered as lifeline of an industry. It deals with generation, transmission, distribution, utilization and control of electrical power, as per the requirements of mankind. It offers job opportunities in almost every industry since electricity is the main source of energy. With increasing demands of growing population, its future in India is very bright. There is vast potential of its further development in the country.

UNDER GRADUATION

## MECHANICAL ENGINEERING

**PCE : 180 Seats**

**PGI : 120 Seats**

One of the core branch of Engineering, it deals with machines, their designing, manufacturing and performance. Modern manufacturing processes have resulted into mass production of items at low cost and high quality. Mechanical Engineers have unique role in Power Plants, Modern Factories, Space, Automobiles and Steel plants. Increase in automation has widened the horizon of this branch beyond the conventional jobs.

## E. I. & C. ENGINEERING

**PCE : 60 Seats**

Electronic Instrumentation and Control Engineering is the fastest growing branch in the field of Electronics. It has widened scope in all industrial processes and applications. E.I.&C. engineers are not only required in process industries like Thermal/Nuclear power plant, Chemical/Steel/Fertilizer Plants, Mines, Petrochemicals, Oil Refineries, Paint/Textile/Paper/Cement Industries but also in Automobile Industry due to increased automation.

## CIVIL ENGINEERING

**PCE : 60 Seats**

**PIET : 120 Seats**

**PGI : 120 Seats**

Civil Engineering is considered to be the most versatile branch among all the engineering branches. It is the branch with diversities right from geotechnical sciences to structural engineering, environmental to hydraulics, transportation to hydrology.

# Awards

## Shanti Devi Memorial Scholarship

The students procuring admission in PGC upto AIEEE rank 55,000 (AIR) and the best rank holder upto 5000 in RPET (Non-TFWS) in each branch would be awarded with an encouraging scholarship of a laptop.

Best final year project in 8th semester  
Cash Award of Rs. 5100/-

Best semester presentation in 8th semester  
Cash Award of Rs. 2100/-

Best Boy Hosteller and Best Girl Hosteller

# Hear Them Speak (Feedback from our alumni & students)

"I whole heartedly thank PGC for the excellent academic support and guidance provided to us. I owe all my success to the high standards of teaching maintained here."

Disha Patira, Steria Ltd.

"In engineering picnic means industrial visits. Believe me, they were never less than a picnic. Visits to book fairs, industries, plants were always educative but filled with fun. After all, you can enjoy anywhere and everywhere with friends around."

Megha Sharma, Wipro

"Events like Department Day, Kalanidhi, Hostel Day, Aarohan etc. provide immense exposure and opportunity to learn management skills. I always actively participated in them."

Pragma Mathur, Infosys

"When in college, there was a strong dislike for the strict discipline, practiced there. Today, I realize how systematic my life has become due to it."

Vishnu Dev, Indian Army

"My tutor is my friend, philosopher and guide. Every student here has a faculty tutor who gives individual attention to the various problems of the students under their charge. Tutors here are so friendly that students in no time develops a sense of belonging to them."

Lokesh Kumar, Secure Meters

"To clear campus placements, it is essential for students to have rational mind and logical thinking to decipher logical questions of Aptitude Tests. Rigorous training is imparted here for this too."

Anupriya Bhatnagar, IBM India Ltd.

"The college management has made an attempt to implement advanced learning schemes for academics. In this order online test is included which has helped us to prepare all subjects in all four years".

Priyanka Agarwal, Syntel Ltd.

"I never thought that I could ever be a Mentor. Well! This is the title given to sr. students who teach their juniors, in the hostel campus. This has developed an linking between academics and overall development. Also, giving seminars & presentations before my teachers has become easier."

Deepak Atrey (Academics Mentor)

"In technical education, it's not 'practice' but 'practical knowledge', which makes a man perfect. The exposure provided to us here is worth acknowledgement."

Abhishek Ranjan, L&T, Chennai

"Here, we learn to render our services for the upliftment of the society. The activities like blood donation social club, make a wish programme including visit to cancer hospital helps us to be socially responsible citizen".

Roopali Saxena, Bosch India Ltd.

"Success comes before work in dictionary but not at PGC. Here, there is no room to escape from hard work which makes our success sure."

Ravi Sharma, IDBI Bank

"Experiments by students are always motivated by the faculty members here for creative output. A wide range of projects presented by students every year is its result."

Chesta Sarawagi, ICICI Bank

"I admire our longest fleet of 29 new Swaraj Mazda buses owned by our college. It covers every nook and corner of the city. When our buses travel on the road one after the other, it seems no less than river on wheels."

Richa Sharma, India Infoline

"My confidence spells the result in my personality. I can assure that PGC is the only group in Jaipur that takes so much pain for the development of communication techniques of the students, which includes a wide range of activities, guest lectures and workshops."

Sumit Goenka, Genpact
