

**A BRIEF REPORT OF
SECOND IEEE INTERNATIONAL CONFERENCE
On
Recent Advances and Innovations in Engineering - 2016
(ICRAIE-2016)
IEEE Conference Record # 39140
December 23 - 25, 2016**

Technically Sponsored by:

IEEE Delhi Section, India and Supported by IEEE Rajasthan Subsection

On Friday i.e. Dec. 23, 2016 Poornima College of Engineering, Jaipur in association with Poornima University organized SECOND IEEE INTERNATIONAL CONFERENCE On Recent Advances and Innovations in Engineering – 2016 (ICRAIE-2016) IEEE Conference Record # 39140; Technically Sponsored by IEEE Delhi Section, India and Supported by IEEE Rajasthan Subsection.

The occasion witnessed the presence of Prof. Barry L. Shoop, President & CEO IEEE US, Chief Guest Dr. S.M. Seth, Chairman, Poornima Foundation and Chairperson, Poornima University, Presiding over the function, Mr. Ramakrishna Kappagantu, IEEE R10 (Asia-Pacific) Director, Guest of Honour, Prof. Udaykumar Yaragatti, Director, Malaviya National Institute of Technology, Jaipur, Guest of Honour, Prof. K. K. S. Bhatia, President, Poornima University along with Convener Dr. Ajay Khunteta & three track chairs of CSE, ECE and EE Dr. Mahesh Bundela, Dr. Om Prakash Sharma and Dr. Manoj Gupta respectively.

Prof. K. K. S. Bhatia, President, Poornima University welcomed all the dignitaries, he also briefed about the Poornima Foundation highlighting the key features of Poornima Group of Colleges and Poornima University.

Prof. Barry L. Shoop, President & CEO IEEE US, **Chief Guest** in his inaugural address, highlighted the significance of Cross Discipline Collaboration; He highlighted the need of Sensors and Signal Processing; Solar, Wind and other Non-Conventional Resources. He also greeted PCE & PU for organising IEEE conference on a theme of need in the society.

Mr. Ramakrishna Kappagantu, IEEE R10 (Asia-Pacific) Director, **Guest of Honour** delivered a talk on to how to carry forward IEEE activities. He also emphasised on key issues how Rajasthan Sub Section can become a full section of IEEE activities in Rajasthan. Dr. Ajay Khunteta informed the august gathering about ICRAIE 2016.

Prof. Udaykumar Yaragatti, Director, Malaviya National Institute of Technology, Jaipur as **Guest of Honour**, delivered a key note address on "Recent Trends and Technology". He explained various practical approaches such as LED light and transferring electricity without wires, cigarette warning and its significance in the society: Electrical, Mechanical and Civil are three apex of a triangle and why to have smart grid?

Dr. S. M. Seth in his words of blessings highlighted the need of IEEE International Conference in joint venture. He also emphasised as how could the practical approach can be adopted for research and innovation.

Dr. Om Prakash Sharma, Director, Poornima College of Engineering purposed Vote of Thanks to all the dignitaries and emphasised that extended hands and vision of group activities like international conference can excel and make our organization more dynamic, responsive and sensitive to the need of good professional institution of the nation.
