Report On MDP on Development of Managerial Skills for Operating in the Changing Global Scenario

The one-day management development program, or better call it a seminar, was organized on **12 February, 2016** at Mumbai by **Poornima School of Management** at the instance of Synthetic and Rayon Textile Export Promotion Council for the benefit of middle and senior level executives of textile units. 27 officers participated in this program. The program coverage in terms of its contents was comprehensive enough to include topics related to important functional areas that have significant bearing on managerial efficiency and effectiveness for operating in the changing global scenario.

In the inaugural session, Shri Yaduvendra Mathur, Chairman and Managing Director, Export Import Bank of India, the Chief Guest addressed the participants giving an overview of the changing global scenario and export and textile policy related matters and initiatives. The resource persons in the technical sessions included Dr. Kanta Ahuja, former Vice Chancellor, Rajasthan University, Shri Ravikant, Sr. Faculty, State Bank Academy, Prof. Sangita Shahane of ICFAI Business School and Shri Abhayjeet Singh, Sr. Faculty, Poornima Group of Colleges. All of them have, to their credit, rich knowledge and experience in related areas. Dr. V. K. Ladia, Chairman, SRSL Group of Companies was the Chief Guest at the valedictory session.
