Report On Seminar Conducted By Thoughtful Minds

Thoughtful Minds conducted Seminar on Job Opportunities for freshers in CS/IT Field **followed by campus recruitment drive 2016** at **Poornima Group of Institutions** in Jaipur on **12th February 2016**.

Thoughtful Minds Web services Pvt. Ltd; the Leading I.T. Company in India conducted a Seminar on Job Opportunities for freshers in CS/IT Field. Supporting the project of Digital India - by Shri. Narendra Modi, the company believes that the students of technical field if given an opportunity to get associated with I.T. sector can prove to be beneficial for Digital India.

Dr. Rakesh Duggal, the Director PGI, discussed that the training and recruitment of B. Tech students in good companies is a major concern. He said that, "The students do have knowledge and if they can proper guidance can do wonders. On this note, **Mr. Swadesh Rohilla**, founder & C.E.O. of Thoughtful Minds Web Services Pvt. Ltd. took the initiative to conduct this Seminar. Here, along with discussing the opportunities, the company will also be conducting Campus Drive to support the students in entering the dynamic fields of Digital Marketing, Web Development and Android.

This seminar focused on the theme of "**I Wish, I Can.**" The company believes in the notion that, wishing and deciding for something is already half done. Then it is the tasks to focus on the aim achieve it. What takes time is deciding for a correct path that could appropriately shape the future of a person. To help the students out of this confusion that could enable them to make correct decisions for their future, the company is conducting this seminar.
