A Brief Report on Interaction with Mr. Harry Boniface Prabhu, an Indian Quadriplegic Wheelchair Tennis player

Poornima College of Engineering, Jaipur organized an Interaction Session of Mr. Harry Boniface Prabhu, an Indian Quadriplegic Wheelchair Tennis player on Wednesday i.e. Nov. 16, 2016 in association with Poornima Paathshaala and AIESEC, an international non-governmental organization.

Mr. Harry Boniface Prabhu is recipient of Padam Shri (Govt. of India 2014); Ekalavya Award (Govt. of Karnataka 2004); Rajyotsava Award (Govt. of Karnataka 2003); Swabhiman Appreciation Award (Daiji World weekly 2011); and many more prestigious awards

The main objective of this interactive session is to provide young mind to self analyze themselves and develop leadership quality for the fulfillment of Humankind's gap in the society and to create a positive impact on the society.

The occasion witnessed the presence of **Mr. Harry Boniface Prabhu, Dr. Om Prakash Sharma, Mr. ArpanKumar, Representative Coca Cola, AIESEC team** along with the students of PCE and Poornima Paathshaala.

Dr. Om Prakash Sharma, Director PCE in the opening remarks expresses his views on motivation and inspiration. He addressed the students that if there is a will, there is always a way. He encouraged the students of Poornima Paathshala & PCE that success can be achieved if there is zeal irrespective of the resources available.

Mr. Harry Boniface Prabhu delivered the gentle words of motivation to the students of Poornima Paathshala and PCE which became the source of encouragement and inspiration for everyone. He interacted with the students and inspired them to achieve something great in life by telling his real life stories despite being physically challenged. He gave three important attributes to achieve success in life:

Talk Together, Walk Together and See Together. He also taught some sign symbols of deaf people so as to remove the gap between normal people and differently challenged people.

Mr O P Gurjar coordinator Poornima Paathshaala proposed the Vote of Thanks.

All the students present in the interactive session were encouraged to do their work with great passion and zeal and to climb the ladder of success using all the available resources.
