11th March 2016

A Brief Report of I-GEAR UP Two Days Workshop under Infosys Campus Connect at PCE

On Friday i.e. **Mar 11, 2016, Poornima College of Engineering, Jaipur** organized **"I-GEAR UP"** Two Days Workshop under Infosys Campus Connect Program. **Mr. Kulvaibhav Kushik, Technology Lead, Infosys Jaipur and Ms. Preeti, Senior System Engineer, Infosys Jaipur** interacted with students

The main objective of this workshop was to train the Infosys Selected Students of PCE regarding Big Data, Cloud, Networking Security, Cryptography, E-commerce and bridge the gap between the institute and industry. The occasion witnessed the presence of **Dr. Om Prakash Sharma, Director PCE, Mr. Kulvaibhav Kushik, Technology Lead, Infosys Jaipur, Ms. Preeti, Senior System Engineer, Mr. Amol Saxena, Head, Department of Information Technology, Mr. Shailendra Kaser, Dy. HOD, Department of Mechanical Engineering and Mr. Manish Kumar Sharma, SPOC PCE - Infosys Campus Connect Program** along with the faculty members of PCE.

Dr. Om Prakash Sharma, in his opening remarks, highlighted the significance of Two Days Training Program at PCE. He informed that clearing interview is first step only. Everyone have to gear up and use their time towards making themselves strongly in areas of Cloud, E-commerce and upcoming technologies. **Mr. Kulvaibhav Kushik** delivered the seminar regarding Infosys training program. He emphasized on different types of training at Mysore and evaluation scheme. He also informed the direct and indirect incentive schemes attached with their progressive work. **Ms. Preeti** highlighted key issues of current trends and technologies adopted in Infosys.

Mr. Amol Saxena proposed the Vote of Thanks. More than 110 students from Poornima College of Engineering attended the workshop and were benefitted by the talk.
