

POORNIMA FOUNDATION, JAIPUR
AN ORIENTATION SESSION FOR B.TECH FIRST YEAR STUDENTS

The orientation Programme entitled “**Pahla Kadam – Engineering of Extraordinary**” was organized for the students B. Tech. I Year, Poornima Institute of Engineering and Technology, at Arbuda Convention Centre on August 24, 2016, Wednesday. On this very auspicious occasion of bhadrapad and shashthi tithi dated 24 August 2016, a well known and stupendous personality Dr. S.M Seth, Chairman, Poornima Foundation and Chairperson, Poornima University came to enlighten, foster and usher us to the road of success through his inspirational session.

During his colloque, he told about such cardinal things that made us easy to set our life. He showed us various intellectual and inspirational videos regarding various engineering attributes like Goal Setting, Time Management, and Communication Skill etc. He gave the best formula in the world for success 5-4-3 –Dream –Plan – Act and work in time and surely these golden words will make every student here

come out with their bright, sparking color after 4 years and lead a way and inspiration for the world.
