COLLEGE OF ENGINEERING

13th January 2016

Report On Lecture on "ORAL HYGEINE" by Dental Surgeon, Dr. Rajendra Yadav

Department of **Computer Science & Engineering** organized a seminar on **"ORAL HYGEINE"** under CSI activity for CSI member students in **Poornima College of engineering** on **Saturday, 9th Jan 2015**. A Lecture was delivered on **Oral hygiene** in order to spread awareness on insight of oral health by **Dr. Rajendra Yadav** (G.I. Memorial Raj Dental Hospital consultant, Dental Surgeon Narayana Multispecialty hospital Jaipur, Assistant professor Rajasthan dental college, Jaipur). He is Periodontist and Oral Implantologist. He is a life member of many Dental Associations. **Dr. Om Prakash Sharma, Director, PCE** welcomed & felicitated Dr. Rajendra Yadav for his gracious presence.

He started the Lecture by stressing on the statement **"Smoking and alcohol consumption is injurious to oral health"**. He enlightened the students with the most common diseases that occur in the youth due to improper care of oral health and consumption of intoxicating goods (smoking, alcohol, narcotics) followed by symptoms of such diseases and common remedies or prevention methods. Through the course of his presentation, he illustrated many pictorial representation which gave students an easy way to perceive his teachings. He also resolved the queries of students & also gave many live examples from his work experience. In the end, he was very informative and motivating about the oral health management. At last, he concluded with a quote **"Will power can only treat your bad habits"**.

Dr. Veena Yadav, Professor, CSI student branch Co-coordinator, CSE Department welcomed the gathering of student and teachers. In the end, Mr. Amit Mishra proposed the vote of thanks to the guest and acknowledged the graceful presence of all the students.
