Pooja Sharma Awarded Cash prize of Rs. 11,000 for Best Paper

Poornima Group of Institutions feels proud for one more achievement **of Ms. Pooja Sharma, Student of B. Tech IV year, Mechanical Engineering. She has been awarded with a cash prize of Rs. 11,000 for her paper by "The society for modeling and simulation International and The organizing committee of the 2016 Spring Simulation Multi-conference" on the topic "A Quantitative Study of Recency and Frequency based Web Cache Replacement Strategies".**

She received this award for the best paper in the conference. Her paper was selected as best along with 04 other papers with students of IIT. Among the 05 papers selected for the best paper category, she was the only non-IITian. This is again a big achievement and moment of pride for all of us.
