

# GURUSHIKHAR BOYS HOSTEL

## AAYAM 2K17

AAYAM – 2K17 (27<sup>th</sup> -30<sup>th</sup> March 2017) is the Hostel fest of Gurushikhar Boys Hostel which is celebrated annually with great enthusiasm and zeal. These 3–4 days are filled with fun and vigour in the campus. We try to come up with different themes every year emphasizing on our tradition and culture. The theme for AAYAM 2k17 was 'THE ROYAL HERITAGE' which reflects the different traditions and cultures of our society.

Starting with inaugural held on 27<sup>th</sup> March 2017 was the great day for the hostellers and for the staff as well.

The Chief Guest of the evening was **Mr Rahul Singhi**, who is the Director of Poornima Foundation. He enlightened the students with his words of wisdom and also motivated our audience with her ideas and thoughts and keenness to make this place a better world.

Our ceremony was initiated by Ganesh and dance performances which was really enjoyable for the audience. We also had a documentary and presentation on **AAYAM-2K17**.

Apart from this there are many more events in the inaugural ceremony which based on the theme – '**The Royal Heritage**' such as different cultural dances – Punjabi dance, Rajasthani dance and many more, all the dances are mesmerizing and beautiful. To complement the inaugural ceremony there are many singing performances which reflected our theme in it. Over all it was a fun and enthusiastic evening for all the hostellers and it was just the beginning of the story which will be remembered forever.
