

# POORNIMA FOUNDATION HOSTELS

## “A REPORT ON INTERACTION OF WARDENS WITH AIESEC INTERN”

**OBJECTIVE-** to discuss the functioning of Poornima Foundation hostels and abroad hostels as well as our discipline, activities, behavior pattern and habits of students and some familiar one to one interaction.

On **Monday, 17<sup>th</sup> July, 2017** an interactive session was accompanied of AIESEC interns with the wardens of Poornima Foundation hostels. Initially they discussed about their vision and mission of internship.

**Ms. Farida (Egypt) & Mr. Diogo (Portugal)**, AIESEC interns further added that it is every young person's responsibility to take a positive role shaping the future of our planet. They believe every young person deserves the chance, and tools to fulfil their potential.

The interaction began with the introductions of Poornima Foundation hostels and discussed following points:

- The capacity of girls and boys hostel respectively
- Activities in the hostel – Academic, extra-curricular, cultural and sports activities
- Daily routine of hostellers
- Our target and process to achieve them
- Number of girls and boys in engineering field in India and abroad
- Mentorship Program of Poornima Foundation hostels.
- Facilities in our hostel
- Behavior pattern and habits of our hostellers and students of abroad
- Discipline related issues
- Attendance, results and placements of hostellers

After that we discussed the capacity of girls and boys hostel respectively. We told them about the activities in the hostel. We discussed about the daily routine of hostellers. We

**Conclusion-** The interaction was very effective, objective oriented and fascinating. After this we thanked them for coming here and for giving this opportunity.

**Venue**–Warden-in-Chief Office, PIET **Timing**–1:00 PM to 2:15 PM
