

## **A Brief Report on workshop at Android App development**

A full day workshop on Android App development was conducted on 25 August 2017. It was conducted in MS-11(c) lab, in CS department block. The workshop was conducted in guidance of Dr. Megha Gupta . There were 30 participants in the workshop. In the 1<sup>st</sup> session of workshop a small Calculator app was designed , and in 2<sup>nd</sup> session Database connectivity in Registration and Login page was done.

There were 4 coordinators in this workshop . 2 from 4<sup>th</sup> year each , and 2 from 3<sup>rd</sup> year each.

From 4<sup>th</sup> year : 1) Manvendar Singh

2) Vishal Chelani

From 3<sup>rd</sup> year : 1) Tapeshe Gupta

2) Vishal Mathur

Workshop was conducted in a smooth manner, and students learned a lot. The feedback of workshop from the students was also good.
