A brief report of “IETE DOCUMENTARY COMPETITION” organized by
Department Electronics & Communication Engineering
on 29th July, 2017(Saturday)
CONTRIVANCE 2017

IETE DOCUMENTARY COMPETITION was organized by the Department of Electronics & Communication Engineering, PCE on 29, JULY 2017 (SATURDAY). The documentary was organized for ECE students only on department level which witnessed the participation of 30 students.

The main objective of this documentary was to provide the knowledge of the documentary and provide an opportunity for the students to demonstrate their learning experience and about upcoming technology. The outcome of the DOCUMENTARY COMPETITION was that students were able to show their skill at higher level and the process boosted their confidence.

This documentary competition was judged by C.S & I.T students. They judged on the basis of design, creativity, and knowledge about technology.

The witnessed was the presence of **Dr. Om Prakash Sharma, Director PCE**, along with the faculty of Department of ECE, PCE.

And the volunteers of this documentary competition were Manthan Sharma (Pce15ec056), Shivali Panwar (3rd year B), Pranjali Sharma (pce16ec058).

Winners of this documentary competition were **KUNAL CHAUDHARY, ANAMIKA TIWARI (2ND YEAR SEC-A)** and first runner up **GAURAV GUPTA, AADESH SHARMA. (2ND YEAR SEC-A)**

Dr. Garima Mathur, HoD, ECE Department formally welcomed the director of PCE and the dignitaries and all the participants. She also gave the introduction to the EC Department in PCE.

Dr. Om Prakash Sharma, Director PCE, in his motivational address emphasized on the importance of learning new technologies and tools for the students.

Mr. Rajveer Marwal shared his valuable knowledge among the students highlighting the importance of new and upcoming technologies with vote of thanks to all dignitaries, participants and audience.
