

POORNIMA FOUNDATION HOSTELS

A REPORT ON

Mentorship Summit – 2017

Mentorship is a program run by Poornima Foundation hostel which helps first year students for the smooth transition from school life to college life. Mentorship not only benefits first year students but to all the students who live in hostels as all the mentors involved learn everything by implementing things. To celebrate the essence of Mentorship there is a Mentorship Summit organized at the end of the mentorship program every year. This year Summit was held in Jaipur.

Following were the events conducted in Summit

- 1) Mentors of Poornima Foundation and JIET Foundation left the Hostel Campus at 9:00 A.M and reached Triton Mall at 11:00 A.M.
- 2) There students were given time to roam and enjoy with one another and meet each other.
- 3) Students were then assembled and were divided in several teams of equal ratios of Poornima JIET Foundation.
- 4) Mentors were given clues to find the companies in VKI industrial area with the help of clues and upload the pictures on facebook with certain hashtags.
- 5) After this activity Mentors were assembled at Sharma Dhaba and were provided with the lunch and further they boarded the bus for Saharia Organic Resort.
- 6) After reaching Resort light snacks were provided and Students visited different parts of resort.
- 7) After enjoying in Pool all the mentors helped in food preparation and all the mentors served the food.
- 8) After dinner, everyone danced and enjoyed the Summit.

9) Mentors then boarded their respective buses and reached their respective hostels.
