A Brief Report on PMEPI Debate Competition

The Department of Mechanical Engineering, Poornima College of Engineering, Jaipur organized a Debate Competition under Poornima Mission for becoming English Proficient Institution on Thursday, April 20, 2017 at CG-05 for from 12-2.30pm.

The main objective of this debate competition was to improve English communication, to boost confidence and self presentation of students'. Mrs. Asha kumawat organized this with student coordinators Puneet Suthar and Saket Varma.

The occasion witnessed the presence of Dr. Om Prakash Sharma, Director PCE, Mr. Shailendra Kasera, HOD Mechanical Engg. Dept., Mr. Kalpit Jain, MR. Sanjay Kumawat along With the Faculty Members of Mechanical Engineering Department, PCE.

Faculty members that involve in judging Panal were Miss. Nisha, Asst. Prof. Electronics & Communication Department, PCE, Miss Jigyasa, Asst. Prof. English Dept, PCE, Miss Kulsum Bano, Asst. Prof. English Dept., PCE, Mr. Ashish Dubey, Asst. Prof., Mechanical Engg. Dept. PCE, Mr. Ashutosh Kumar, Asst. Prof. PCE. Total 15 teams got selected out of 20 for debate competition.

Dr. Om Prakash Sharma, Director PCE in his opening remarks highlighted that Communication is the life blood of all the organizations. Getting the work done in effective manner has become more important than having the most knowledge. If students fail to see the broader scenario of the corporate world and ignore the communication skills, it can endanger a level of understanding. Knowledge and technical knowhow are clearly important, but these require to be presented with excellence. Effective communication re-enforce positive impression of the engineer. A more proactive and accessible style of communication can be more engaging for the people. Indeed oral skills, presentation skills are considered one of the best career enhancers and to the single biggest factor in determining a student's career success or failure.

Miss. Kulsum Bano in her speech urged the Hindi medium students. She said that such type of competitions needs to plan for exposure of students. These activities definably provide a platform to remove hesitation at the time of English speaking, and build up the confidence level of students.

Mrs. Asha kumawat proposed Vote of Thanks. More than 130 students from Mechanical Department attended the programme and were benefitted. She also commented on that this competition that it definitely helped to improve English communication and confidence of students and there after fulfill the objective of PMEPI.
