A Brief Report of NGO visit-Bhagwan Mahavir Viklang Sahayak Samiti on Feb 11, 2017

Department of Mechanical Engineering organized a NGO visit to Bhagwan Mahavir Viklang Sahayak Samiti (BMVSS) at A-13, Calgeri Marg, Malviya Nagar, Jaipur on Feb 11, 2017. BMVSS is the World's largest organization for disabled person to regain mobility and dignity by fitting high-quality, durable artificial limbs and other aids and appliances, all free of charge.

The basic objective of this social activity is to serve the poor people and to learn the working of Bhagwan Mahavir Viklang Sahayak Samiti.

Total 30 students along with one faculty member Mrs. Asha Kumawat were visited the same. Mr. Om Prakash, Technical Head, BMVSS welcomed the students and faculty member. He explained about the society and manufacturing process of artificial limbs. Thereafter, Students have distributed the fruits and biscuits to patients.

BMVSS was registered as a society under the Rajasthan Societies Registration Act on March 29, 1975 (vide registration number 261/1974-75). It has its headquarters at Jaipur (India). It is a pan-Indian organization having 22 branches, spanning Srinagar (Jammu & Kashmir) to Chennai (Tamil Nadu) and Ahmadabad (Gujarat) to Guwahati (Assam). Metropolitan cities such as Delhi, Mumbai, Chennai, Hyderabad, Bengaluru, Varanasi, Patna, etc also have limb fitment centers of BMVSS. Since inception, BMVSS has rehabilitated more than 1.3 million amputees and polio patients by fitting / providing artificial limbs (Jaipur Foot variations), calipers, and other aids and appliances, mostly in India and also in 26 countries across the world. Apart from providing the widest possible range of services for the disabled, BMVSS is also focused on research and development, and tries to fuse service with science.
