INSTITUTE OF ENGINEERING & TECHNOLOGY

WISE Activity

Nations cannot achieve their development goals if their women are discriminated. Women's empowerment is in fact necessary condition for socio-economic development of a country; Poornima Institute of Engineering and Technology, Jaipur always tries to empower their girls students to face the new challenges of this competitive era and in this context PIET organized a Women Empowerment Program by WISE on February 07, 2017 from 9:30 to 11:30 a.m. at Arbuda Convention Centre.

The event commenced with the lamp lightening ceremony and a short prayer to Maa Saraswati. To grace the occasion we invited Ms. Nupur Jhankal, Second Runner Up at Elite Miss Rajasthan 2016, national level Kathak performer, as our chief guest for the event. She was also awarded as Miss Talented at Miss Rajasthan 2016 and Miss photogenic at Miss India 2016. She took the session on '**Personality Development**' and how to present oneself professionally and in public. Apart from that the session was very interactive. She also called the students on the stage and taught them how to catwalk with confidence and she also taught them some Kathak dance moves and how body language can be maintained with elegance. The students participated very eagerly and enthusiastically.

The second session was taken by Ms. Charvi Didwania, Counsellor at PGC, who was our guest speaker for the event. She delivered the session on the topic '**Body Image & Self Image**'. She guided the students to have a good and positive self image of one self and present oneself with full positivity. She also threw light upon how girls are conscious about their body and give negative feedback to them and how it relates to self image confidence.

All the students enjoyed the whole session and felt delighted.

A technical quiz also has been conducted by second year students and the winners were applauded by chocolates. Some students also performed dance and song.

The whole session was very interactive and the students enjoyed to the fullest.
