

DEPARTMENT OF ELECTRONICS & COMMUNICATION ENGINEERING
ABHIKRITI 2K17

Report on ECE Department day Activity

The Department of Electronics & Communication Engineering has celebrated the Department Day on 28th September 2017 to showcase the various talents in our students which includes skill enhancement, technical and non-technical activities as well as extracurricular activities. The purpose of such event was to provide platform for the overall development of the engineering students to enhance their capabilities in all sphere of life. By participating in such events, the students learned team work, discipline, cultural & technical knowledge etc.

The Chief Guest of the program was Mr. S. Rajesh, CEO, Reliance Jio, Rajasthan, who had encouraged the students to think digital. He demonstrated the global snapshot of digitalization. He described how the traditionally people are fought for land, oil & gold, but nowadays it is mostly the data available online i.e. big data. Nowadays, voice, data & IOT are major concern for the people. Most of the big data & IOT are making high profit to the companies like Google, Amazon, Facebook & Netflix. He also shown the Digital companies are leading over the previously owned by oil company, general Electric etc. He mentioned currently due to Reliance Jio, Internet is reached to each & every citizen of India. The Jio Revolution has changed the access of internet anywhere from each corner of the country. He mentioned the internet user is number 1 in India globally nowadays due to Jio. The internet is the need for everywhere, may be mobile, Smartphone, AI, big data. There is digital storage like cloud which makes the replacement of external hard disk to carry data. At the end of his talk, he answered some the questions raised by audience. He mentioned the vision of Reliance chairman; the Reliance Jio is capable to reach all the corner of the country.

Mr. Shashikant Singhi, Chairman, Poornima Foundation has blessed the event and encouraged the students to participate with full-heart. Dr. Om Prakash Sharma, Director, PCE had supported in all the planning & execution of the event with his expertise to organize this event. Winners of the various competitions were awarded in the event. Dr. Garima Mathur, HOD, ECE was the key driving force in organizing this successful event.
