REPORT ON "NATIONAL LEVEL WORK SHOP ON INTERNET OF THINGS"

A three days' workshop on Internet of Things under the Faculty Development Program was organized by Rajasthan Technical University, Kota from 31 August to 2 September, 2018 sponsored by RTU (ATU) TEQIP-III on National Level Work shop on Internet of Things" program held at Poornima Institution of Engineering & Technology Jaipur.

This workshop was organised under TEQIP-III Event Coordinator Dr. Harish Sharma RTU Kota. About 65 participants from 25 different RTU affiliated colleges Registered in this workshop. All Participants were educated towards the design and development of IOT based System. They also learned how to select Microcontrollers for IOT system.

The objective of the workshop was to provide hands on practices to the participants on the aspects of development for any system on IOT.

The occasion witnessed the presence of Prof. (Dr.) Rajeev Gupta, Pro-Vice Chancellor, Dr Harish Sharma, Event Coordinator TEQIP-III, Dr. Sylvester Fernandez, Expert IOT as Guest Speaker, Dr. Om Prakash Sharma Director and other dignitaries.

Director, in his opening remarks welcomed all the guests and participants from various RTU affiliated institution form Rajasthan. He propagated the message of Honourable VC Sir that more and more colleges of RTU should get IOT Technology and should start imparting Quality Education to the students.

More than Sixty Five (65) participants Registered of the rank of Prof. Assoc. Prof and Asst. Prof from various RTU affiliated Engg. Colleges participated in the Three days FDP on "National Level Work shop on Internet of Things".

Prof. Rajeev Gupta, Pro-Vice Chancellor as a chief Guest of the day informed the house about the vision of RTU, Kota and TEQIP Program Initiated for all affiliated Engg. College, he further added that the faculties should pass on the knowledge to the students via seminar or workshop as soon as they reach to their parent organisation.

Dr. Harish Sharma Coordinator TEQIP-III, extended a warm welcome to all the participants and said that IOT is the need of the day in order to impart quality Engineering education. He added that the three days

program of FDP is well planned and structured and every one will get maximum outcome each day.

Just after inaugural session Dr. Sylvester Fernandez, Expert IOT started his deliberation. In his opening remark he said that the need of the day is set a larger goal and run for it. The path may be difficult but you have to be smarter enough to achieve your goal.

In Valedictory Session, Participation Certificates were given to the participants. Dr. Harish Sharma, Er. Alok Pandey were acknowledged with a memento by Director. All the Volunteers and the Event coordinator Mr. Ajay Saini were felicitated by the dignitaries for making the event a grand success.

After distribution of certificate vote of thanks given by Mr. Ajay saini convener of FDP. He sincerely thanked to RTU, Kota for providing such a wonderful opportunity to PIET, Jaipur. He expresses his gratitude to all the participants of other colleges and faculty members from Poornima Foundation.
