COLLEGE OF ENGINEERING

Report on “Ericsson Career Connect Program Certificate Distribution”

20th January, 2018

In association with the three day Ericsson Campus Connect Program was conducted by TPO, Poornima College of Engineering from 19th to 21st Dec. 2017 to prepare the students for Ericsson placement drive, certificate distribution was conducted on 19th Jan. 2017. The ceremony was graced by **Mr. Ranjit Sinha, Head, GSC India Site Operation & University Relationship** and **Ms. Sakshi Mehta, Head-Sustainability & Corporate Responsibility** from **Ericsson India Global Service**. The program witnessed the esteemed presence of **Dr. Om Prakash**, Director, Poornima College of Engineering, who graced the occasion with his welcome speech. **Ms. Dipti Lodha, Chief TPO & Dr. Garima Mathur**, Head, Department of Electronic and Communication Engineering, PCE also extended whole hearted welcome to dignitaries. **Mr. Ranjit Sinha**, highlighted the different generation, 1G, 2G, 3G, 4G and the importance of these technologies in prevailing market. He also laid emphasis on the key learnings requisite in the ice age in the field of Electronics & Communication Engineering. **Ms. Sakshi Mehta**, highlighted the importance of Sustainability & Corporate Responsibility. This was followed by feedback session by the experts who enquired about the status of Ericsson Campus Connect Program. **44 students of final year (PCE+PIET)** received certificates of attending the sessions. The occasion marked a remarkable conclusion by vote of thanks by Ms. Anushree Jain, final year student, ECE & a group photograph.
