Felicitation ceremony

The distribution of degrees began with a sum total of 86 students in attendance out of the lot, after which a short documentary was shown which showcased the memories of the batch along with their technical achievements.

After the distribution Mr. Ajay Vishnoi, graced the podium to give some insight of his life which turned out to be motivational for the students. He also told the students to fix a goal and then work towards it, no matter how long it takes to achieve it, he emphasized that one has to be sincere, dedicated and patient towards their goal. With these three capabilities they can be successful in any goal they set.

Ms. RenuSinghi also delivered a short speech encouraging students the no goal is out of reach and nothing is impossible if you have the patience, sincerity and dedication towards that goal and to make it more motivational for the students she gave an example of herself and the things she achieved when she set her goals

The ceremony concluded with couple of alumnus revisiting their old days and sharing their stories.

The alumnus along with the dignitaries had a lunch and talked over the market conditions which further prompted the alumnus of each department to revisit their department and gave an insight knowledge of market demand, industry demand and how to prepare further for their post graduate programs in related field whether they want to go in civil services or in private sectors.

The students had a blast interacting with the alumnus.
