Department of Civil Engineering

World Water Day-2018

“Nature for Water”

This event is organized by Department of Civil Engineering, Poornima Group of Institutions, Jaipur.

Events:

- Poster Competition on **“Make every drop count”**
- Debate Competition on **“Privatization of water”**
- Technical Sessions

About the poster making and debate competition

The poster making competition was organized in PGI library. The theme of the poster making was **“Make every drop count”**. The first award for poster making was given to Kaushal Kishore of first year (Mechanical Engineering Department) and the second award was given to Mudit Gupta of third year (Civil Engineering Department).

About the Debate competition

The theme of the debate competition was **“Privatization of water”**. The judge for the debate was Dr. Pragya Mishra from Poornima University. The merit of privatization of the theme is that it will lead to better upliftment of water quality. The award for best debater was given to Kovind of first year (Computer Science Department) and Rahul Meena of second year (Mechanical Engineering Department).

About the Seminar:-

The seminar was organized on “World Water Day”. The theme of the seminar is “Nature for Water” given by UNESCO. The main objective of the seminar was to create awareness and tackle issue related to water and sanitation and to find the solution for water conservation and restoration. The first keynote speech was delivered by **Dr.Nitin Goyal, Manipal University**. He gave information about amount of rainfall in India and the way for water. He also discussed about to conservation of water, challenges for water and motivate the students for startup in Civil Engineering field like economic water filters etc . The second keynote speech was delivered by **Mr. Anil Sharma, Executive Engineer, Quality and Maintenance, Bisalpur Project, PHED**. He gave information about the water treatment plant project at Bisalpur and also about supply system of Jaipur City with stadia automation system. He also shared with students about the new technology for supply and monitoring of water to reduce losses. He has given examples of SINGAPORE & BANGALADESH for efficient system they have developed for recycling of water to reach ZERO wastage

Students Coordinators: - Pulkit Saini and Yash Choudhary

Faculty Coordinators: Mr. Siddharth and Mr. Alok

Events time :-

Poster Making competition:- 09:00a.m. – 11:00 a.m.

Debate competition:- 10:00a.m.- 11:00 a.m.

Technical Session: - 12:00 Noon – 2:00 pm

Outcome:

The students learnt about rainfall in India, opportunity to become entrepreneur related to water business, latest technology in water treatment plant and automation of water supply system in Jaipur. The poster showed the awareness of the students to water conservation and water harvesting.
