INSTITUTE OF ENGINEERING & TECHNOLOGY

DEBATE COMPETITION REPORT

Topic: Net Neutrality

Department of Computer Engineering & Information Technology
Poornima Institute of Engineering & Technology, Jaipur

Title: Debate Competition

Date & Day: 24th April 2015

Location: Arbuda Convention Center, Poornima Institute of Engineering & Technology, Jaipur

Facilitators:

1. Ms. Swati Mathur, Assistant Professor, IT, PIET
2. Ms. Divya Acharya, Assistant Professor, CE, PIET

Concept: Debate is one of the academic activities that give students creative room to express what they feel. The length and breadth of knowledge that they gain through this is simply outstanding. A cluster of elite students from CS, IT department debated in the teams of two i.e. FOR and AGAINST on the topic "Net Neutrality". The topic was selected to know the opinion of budding Engineers. Net neutrality is the principle that internet service provider and government should treat all data on internet equally not discriminating or charging differentially by user, content, site, and platform, and application, type of attached equipment or mode of communication. Through news, social media we get to know different point of view of eminent personality across the world.

Audience: The audiences were -

- 1st Year, CE
- 2nd Year, CE

Participants:

Token No.	Student Name	Branch
1	Abhinav Srivastava	CE
