

POORNIMA

COLLEGE OF ENGINEERING

ISTE STUDENTS CHAPTER ACTIVITY

Poornima College of Engineering under ISTE student chapter activity organized “**TREE PLANTATION AND ESSAY WRITING COMPETITION**” on **20th September, 2014**. The activity of tree plantation proved to be very fruitful in two ways i) the students got awareness towards the environment and ii) they came to know the importance of trees in their life. In this activity more than 50 plants of fruits and flowers were planted with the motto to make our mother earth and environment more beautiful and a pleasant place to live in. Mrs. Renu Singhi, Advisor P.A.A. and Dr. Om Prakash Sharma, Director PCE appreciated and motivated students. They communicated the students about the relevance and importance of plant to save environment.

The topic of the Essay Writing competition was “**HOW COULD INDIA BECOME GREEN AND CLEAN**”. The essence of the essays received truly shows the keenness of the disciples towards our INDIA. The top three rankers of the competition were awarded with the cash prizes. Other participants were also motivated by Dr. Om Prakash Sharma for indulging more efforts to work well in future.

Dr. Bina Rani and Ms. Megha Modani, Advisors of ISTE coordinated the whole event.
