

POORNIMA FOUNDATION

Congratulations to the winners

At

'IGNUS' IIT Jodhpur Socio Techno Cultural Fest

Students of Poornima College of Engineering participated in "LIGHT FOLLOWER ROBOT" event of IGNUS held at IIT Jodhpur. In this competition the task was to make a robot which could be controlled by any light source and a race was organized in which they had to complete the whole path in minimum time as much as possible. Almost **40 teams** participated in this event and out of them Poornimites secured **1st position** in this event.

Name of Participants:

1. Ajit Kumawat (ECE, 3rd year, Sec-C)
2. Preksha Moondra (ECE, 3rd year, Sec-C)
3. Tarun Gupta (ECE, 3rd year, Sec-C)

Students who secured the 2nd position:

4. Ankur Yadav (EE, 3rd year)
5. Lokesh Kumar Bansal (ME, 3rd year)

Except this event they participated in "SOLARIS". In this competition the task was to make a robot which takes the power from sunlight through solar panel and to complete the arena in minimum time as much as possible. Almost **20 teams** participated in this event out of which they secured **2nd position** and they came on **1st position in the designing** of our robot in the same event.

Name of Participants:

1. Ajit Kumawat (ECE, 3rd year, Sec-C)
2. Preksha Moondra (ECE, 3rd year, Sec-C)
3. Tarun Gupta (ECE, 3rd year, Sec-C)

Students who secured the 2nd position:

4. Ankur Yadav (EE, 3rd year)
5. Lokesh Kumar Bansal (ME, 3rd year)
