## GROUP OF COLLEGES

### ROTRACT CLUB AT POORNIMA

Installation Ceremony of Poornima Rotract Club was organised at PGI Campus on 12<sup>th</sup> August 2014.

Mr. J K Jajoo, President, Rotary Club and other senior members of Rotary made it a gigantic event. Students got benefited by listening to them.

The PGI Chapter of Rotary aims at making students learn beyond syllabus through various activities related to social issues, general awareness, youth motivation, understanding responsibilities, civic sense and also would help initiate student-industry interface.

Mr. Jajoo inspired the students by his motivating words. He also made students to take an oath for abiding by the norms of Rotary Club and also to become responsible citizens. Out of the present students in audience a President, a Vice-President and a Secretary was elected. Ms. Shrishti Singh, II year Mechanical Section-B was elected as President, Mr. Anshul Patidar, II year Mechanical Section-A was selected as the Vice-President and Mr. Aditya, II year Mechanical Section-A was selected as Secretary of the Rotary PGI Chapter. The dignitary members of Rotary Club also talked about Blood Donation and various social activities. A Question-Answer round was also conducted in the end, and students had quite an interactive session.

## ROTRACT CLUB PGI CHAPTER – ACTIVITIES

On 16<sup>th</sup> August 2014, Dr Padmaya, a great pscycologist took a session on the topic “**THE GENERATION GAP AND ITS EFFECT**”. This session was held by Jaipur Midtown Rotary Club at Clark’s Amer. All the members of rotary club participated actively in this seminar. Some of the issues discussed by her were:

- What is generation gap and what are its causes?
- What are the problems faced by old people and parents due to this gap?
- What are the problems faced by youth due to this gap?
- What are common effects on both generations?
- What are the ways to reduce this gap? What possible step should be taken by both generations in order to reduce this gap?

People from different age group participated enthusiastically in this seminar. At last different querries was asked by the audience and the answer was given by her very nicely. All the student members of ROTRACT PGI CHAPTER participated along with a faculty coordinator.
