PASSPORT 2015- Faculty Training Program

At Poornima Foundation new joining faculties are welcomed by organizing an orientation cum training program called PASSPORT. It is conducted with the help of experts and senior dignitaries of PF to introduce the new faculties to PF norms & guidelines related to teaching, overall functions supportive to teaching & other related duties as required. It is typically of 10 days duration which focuses on current & emerging teaching- learning methodologies, student- teacher psychology & approaches of teaching the concepts/fundamentals of core subjects. The developments in technology and skills are continuously happening and new subjects are introduced in curriculum and syllabi are updated in a continuous fashion to cope up with the requirements of the industry and society. Therefore in such situations faculties are updated with new subjects and trained for new skills required in professional teaching.

The program started off with a brief introduction about Poornima Foundation & its network followed by the inaugural ceremony and vision plan 2015-16 was disclosed. Other senior dignitaries of PF also delivered speech & presentations on different topics like effective teaching learning, information collection & ABC analysis, blown-up & deployment, zero lecture of theory & lab subjects, handling tutorials, lecture notes preparation, PICC and related information & conclusion of centralized training, etc. Assessment of faculties after extensive training was also done to further felicitate the best candidates who got best grades. This assessment included questions related to the above mentioned topics for which they gave written answers. Finally they were examined and given grades by the senior faculties.

The key resource persons were:

Chairman Sir: Dr. S. M. Seth
