Department of Mechanical Engineering

A report

On

### **ISHRAE Student chapter Activity of PCE**

Looking into the fact that eco friendly environment based technology can be the reason of human survival on the earth. On 25<sup>th</sup> August 2014, Department of Mechanical Engineering, Poornima College of Engineering organized a seminar on Green Building Industry and Oath taking ceremony in collaboration with ISHRAE Jaipur chapter. The seminar started with lamp lighting and garlanding of Maa Saraswati by Guest and student of Mechanical Engineering.

Formal welcome of the guests Mr. Ashu Gupta, Mr. Akash Vajpayee, Mr. Kishan Khatri & Mr. Anil Gupta, the guest of honor from ISHRAE Jaipur chapter was done by Dr. Om Prakash Sharma, Director PCE, Mr. Shailendra Kasera, HoD Mechanical, Mr. Kalpit Jain, and Dy.HoD Mechanical respectively.

Addressing the august gathering Dr. Om Prakash Sharma highlighted the importance of word green as a preamble in various sphere of life like green industry, green environment and so on. He further added that the green industry is a relatively new field, but it has been attracting a lot of attention. The expansion of the green sector has created a myriad of new jobs with energy efficiency attaining increasing importance. He also elaborated on green industrial policies taken up by Govt. of India.

In the seminar the renowned guest of honors Mr. Ashu Gupta, President ISHRAE Jaipur Chapter, highlighted the importance of green building. Mr. Anil Gupta, President Elect ISHRAE, Mr. Akash Vajpayee and Mr. Kishan Khatri further made the seminar vibrant by their words of wisdom on various green policies adapted worldwide to seva the environment.

At the end, the oath ceremony was followed by Poornima Gaan. Vote of thanks was delivered by Mr. Prince Dawar.
