**Department of Electrical Engineering
A Brief Report of PCE ISLE Student Chapter Activity**

Department of Electrical Engineering, Poornima College of Engineering, Jaipur organized an activity under the student chapter of **"INDIAN SOCIETY OF LIGHTING ENGINEERS" (ISLE) on Saturday Aug 8, 2015.**

The main objective of this student chapter activity is to make the students and faculty members acquainted with **"Advances in Emerging Trends in Lighting"**.

The occasion witnessed the presence of eminent speakers **Dr. Om Prakash Sharma, Director, PCE, Mr. R.S. Saxena, Chairman ISLE RSC, Mr. M.M. Bhardwaj, RTD CMD REIL, Jaipur, Dr. Manoj Gupta, Secretary ISLE RSC & Provost PU, Mr. B.M. Chandana, Director, Genesis Integrated System Jaipur, Mr. Prashant Bajapai, GM, HPL India Ltd.** along with the faculty members of Department of Electrical Engineering, PCE. The activity was started with lamp lighting and seeking blessings from goddess Saraswati.

The seminar started with motivational talk by Dr. Om Prakash Sharma, the Director of Poornima College of engineering. He asked students to seek more and more industry interaction. He urged the students to be self-place able. At the end he asked the young technocrats to serve humanity and promote sustainable energy resources. The talk continued with ISLE RSC Chairman Mr.R.S. Saxena, who gave brief introduction about ISLE Student Chapter and its various aspects and activities of ISLE.

Dr. Manoj Gupta, Secretary of ISLE RSC and provost of Poornima University discussed about the importance and future aspects of Electrical Engineering.

Mr. M.M. Bhardwaj, Rtd. CMD RELI, Jaipur shared information about renewable energy and discussed future aspects of solar energy. At the end he stimulated our students with his exalting words.

Mr. B.M. Chandana, Director Genesis Integrated system, Jaipur, inspired our students with his motivating interactive session. He discussed the power of "Self Discipline" and "Power of Positive Attitude".

A technical session was taken by Mr. Prashant Bajapai, GM, HPL India Ltd. He discussed with the students about "Demand – Supply Management" of renewable energy. And how can we conserve power and can save our future generation by utilizing renewable energy resources.

At the end Miss. Anjali Jain gave vote of thanks to all the chief guests, Faculty members, coordinating team and the students presented over there.
