Imaginxp.com Training for III & IV year students of PGC

From 14th May- 8th June 2015

PGC has tied up with ImaginXp. Com, a leading user industry focused experience design training company of Pune. A special course/training on user experience design has been organized for III & IV year CS/IT/EC students from 14th May 2015 to 8th June 2015. The training started with all the zeal on 14th May with 37 students as participants. The trainers are consultants, entrepreneurs and senior managers from corporate world. These professionals will train on different design modules and after that will provide placement opportunities to the students.
