Report on Orientation Programme "Pehla Kadam"

Every year Poornima Foundation organises Orientation Program for B.Tech I Year named "Pehla Kadam". This year also the campuses organised the orientation program for the new students who abode in the college.

Every year Poornima Group of Institutions gets the privilege to organize the programme for the students of Civil Engineering.

The programme started with the 'Tilak ceremony' in which the new students were welcomed whole heartedly. Many cultural activities were performed by the seniors specially 'Ganesh Vandana' and 'Saraswati Vandana' and the dignitaries came on the stage and widen the horizons of the new arrivals by sharing them with the knowledge and scope related to their fields.

The programme runned smoothly and we believe that after the completion of sessions the freshers would have left for their homes handfull.

The session organized by Department of I Year, PGI.

Faculty Coordinators: 1. Dr. Archana Singh ; 2. Ms. Sarveen Kaur Sachdeva
