SAKSHAM-2K15 DAY 1

The e-week was inaugurated by Dr.K.K.S.Bhatia, President, Poornima University and Dr.O.P.Sharma, Director, Poornima College of Engineering on 17-03-2015. The program started with Ganesh Vandna followed by lamp lighting and saraswati vandana.

Dr.K.K.S.BHATIA shared with students the ten commandments to become a successful entrepreneur. He suggested that being an entrepreneur is the best career and need of the day to make the India.

Dr.O.P.Sharma took a session on “Life of an Entrepreneur” which was full with key learnings for an entrepreneur. He said that an entrepreneur should not worry about ups and downs of life. Failures are necessary to make an entrepreneur successful. After each failure an entrepreneur comes up more stronger and mature. This lets the entrepreneur to achieve even higher peaks of success.

Rs.100/- Exercise was held and participated by students with zeal and enthusiasm.

SAKSHAM-2K15 DAY 2

On second day i.e 18-03-2015 students got inspiration from Shri Shashikant Singhi, Director General, Poornima Group of Colleges. Shri Shashikant Singhi shared incidence of his life as an entrepreneur. He suggested to go for entrepreneurship if they have accumen of fighting with problems, enjoys the challenges, be justiceful. At the same time he shared the benefits of entrepreneurship. He said that one should not compromise with their own ideas, values and etihcs. One should be firm on all these and try to find out errors and mistakes while implementation of their ideas and then stand up once again with new learnings and prove themselves right. He stresses on never say die attitude. Session was rated as awesome.

Engineer Shri Sanjay Agarwal with his export partner Shri Tarseem Narang shared their experience as successful partners. They said business partners should not always look for 100% accurate distribution of profits as its not possible to cut a cake into exactly two equal parts. One should be ready to receive any part of the cake and don't even notice or let be noticed. If you will try to cut a cake into equal parts that will not be possible rather cake will get destroyed. Thry suggested failure are the best teachers and the learnings from them is the profit. They answered the questions of students related to business stratagies. Session was rated Excellent.

Mr. Avinash Dubey shared wonderful work done by him related to agriculture based business ideas. Students interacted with him to discuss their own ideas. Session was rated Excellent.

SAKSHAM-2K15 DAY 3

Day 3 was dedicated to learning about business idea generation, B-Model, B-Plan. During the e-week all the sessions related to entrepreneurship was taken by Prof. Sunil Gupta. Sessions were equipped with Video Lectures and activities. Sessions were rated Excellent.

Shri Trilok Saini an exporter shared his views related to entrepreneurship and current economic environment. He suggested the sources of help if someone wants to be exporter.

SAKSHAM-2K15 DAY 4

Day 4 was also dedicated to learning of entrepreneurship. Students worked on feasibility testing template. This tool can be used to test viability of any business idea before acting upon it. The Student maintained their enthusiasm even on the fourth day with equal zeal and rated the SAKSHAM~2K15 program using words like ultimate, awesome and asking for next related activity. The E-Week ended with Poornima Gaan.
