COLLEGE OF ENGINEERING

Report

On

TREE PLANTATION AT POORNIMA

On Thursday, 19th February, 2015 a campaign was organized in Poornima College of Engineering, under Health and Habitat cluster of “WOMAN IN SCIENCE AND ENGINEERING (WISE) Society” with a message of clean and green environment in PCE Campus. Dr. Om Prakash Sharma, Director PCE and Smt. Renu Singhi, Chief Advisor Poornima Alumni Association. Motivated the students by their words of wisdom. They also appreciated the initiative taken by the girls students of various department.

With this campaign students made people aware about the importance of clean campus and protect the environment. To make environment clean Tree Plantation was also done. After this a “Nukkad Natak” was presented in college canteen to propagate the message concerning Food Wastage in Parties and Marriages, Polluting Water sources by throwing, E-Wastage, Industrial Waste etc.

To encourage the students senior faculties of various departments Dr. Suchi Dave, Mr. shivraj Sharma, Ms. Anjali Jain, Ms. Roshani Singhal, Ms. Anchal Sharma were also present in the program.
