E-Waste collection by Yuva members of Poornima foundation

World Environment Day is celebrated on 5th June every year to give a human face to environmental issues, empower to become agents of sustainable and equitable development, promote to change attitude towards the environment and advocate partnership between each human being and each society to ensure a safe future.

As declared by the UN General Assembly in 1972, the World Environment Day was established to mark the opening of the Stockholm Conference on the Human Environment.

United Nations designed World Environment Day as the main tool to create worldwide awareness about hot environment issues.

In the lieu of same, Poornima Foundation, under the banner of Swachh Bharat Vertical of Young Indians (Yi), Jaipur Chapter, celebrated this day by organising an E-Waste collection drive on June 3rd 2016 at Poornima Foundation premises. This drive was organised by YUVA Members of Poornima Foundation to support the society in order to create awareness among the students as well.

E-waste drive is generated when any electrical and electronic gadget is discarded when it is outdated or irrecoverably out of order, or improper disposal pose danger to air, land or groundwater causing health hazards. Such e-waste is either recyclable or reusable. The students, faculty & management of Poornima Foundation collected 2 Tonnes of e-waste in form of CROs, Function Generators, Microprocessor kits, Digital Trainer Kit, Communication Kit, Telephone, CD Player, EDC Kits, Energy Meters, Mouse, Keyboards, CRT Monitors, Printers, Wasted Wires, Millimetres, Galvanometers, Lamp Arrangements, Stop Watches, CROs, Battery Chargers, TVs, Radios, Tape Recorders, CD ROMs, Adapters, LAN Wires, HDD Case, Xerox Machines, Processor Cables, HP Printers, Headphones, Bus-connectors, CPU Fan, Floppy Covers, Transmission Line Trainer Kit, AM Receiver, Language Lab Main Unit and Weing Machines.

This drive was an initiative of Swachh Bharat vertical of Yi, Jaipur Chapter associated with Poornima Foundation to promote among the YUVA members that there is need for increased awareness on sustainable use and consumption of recyclable resources in order to achieve ecological balance. Yuva Members of Poornima Foundation comprises of 30 student

members & 1 faculty coordinator at present. The students members are enrolled in BBA, B.COM & MBA courses at Poornima Foundation

The World Environment Day is an opportunity to sensitize these students about issues affecting the environment. It's only when the students understand the importance of environment at a young age they will be more responsible towards the environment when they grow up.

Motivation and encouragement leads to change and development. For the same purpose Poornima Foundation organised this drive and successfully contributed towards the objective.
