

TATVA-TORQUE 2K13

(Gayatri Girls Hostel Fest)

“TATVA-TORQUE” 2K13 is a four day fiesta which is accumulation of technical, sports, cultural and club activities undertaken at Gayatri girls hostel including 45 events. It is celebrated with great zeal and enthusiasm embracing different themes each year.

The theme “WOMANIYA... celebrating different shades of woman” rightly describes the strength, beauty, passion, love, serenity, enthusiasm, boldness of a woman. A woman is rightly colourful in all her aspects.

The primary motive of TATVA-TORQUE is to render exposure to students and thus enhance professional and personality skills.

Tatva, the Hindi version of word “element” is the smallest form, capable of creating the universe, focuses on how a Woman makes this world vibrant with her glory!!! Tatva brings a platform to all the hostellers so that they can spread all their colours all together! An event that brings all the seniors closer to juniors and completes the GAYATRI FAMILY, tying them in one common thread common spirit of joy, love, happiness and memories to be cherished forever, sealed deep within heart....

Looking at the increasing activities against women our hostel this year focused to dedicate their fest to THE MOST DIVINE CREATION OF GOD!!!

Numerous activities were organised of different interests like sports, cultural, dances, writing skills, technical events, fashion show and ofcourse the spirit of event, FACET DIVA, the face of GAYATRI...

Huge enthusiasm was seen amongst the crowd and every evening turned into a special celebration with huge screams and energy level. The night of the fashion show turned out to be great success with large crowd. Yes this is hostel, this is life and THIS IS TATVA!!!! Cheers....
