

**POORNIMA GROUP OF COLLEGES, JAIPUR**

**No.PGC/DA/Activities/2013/ED/85**

**Date: August 28, 2013**

**NOTICE**

**Subject: - Celebration of Engineer's Day along with Regular Classes as one hour activity.**

On September 14, 2013 (Saturday), Engineer's Day will be celebrated as per the program mentioned below, with regular classes as one hour activity:

**Time:** 01:30-02:30 PM [**Last Period**]

**Venue:** Respective Classrooms/ Labs.

**Faculty:** Faculty engaging class in that duration as per time table.

**Activities:**

- To inform about Engineer's Day and its linkage with engineering profession (For Matter Click Here....) [**15 minutes**]
- **Discussion\* on THEME** of Engineer's Day "**Frugal Engineering Achieving more with Fewer Resources**" (For Matter Click Here....)[**45 minutes**]

\*Faculty members are requested to prepare bullet points from enclosed matter to initiate, propagate and conclude the discussion. They are also requested to motivate students to speak on Theme. In the beginning, 02 students are to be nominated to note the proceedings and submit a one page report at the end of discussion.

All faculty members and students of PGC are requested to participate actively in Engineer's day celebration.
