# Student Orientation Programme: 2020-21

# OBJECTIVE

When new students enter an institution, they come with diverse thoughts, backgrounds and preparations. It is important to help them adjust to be new environment and inculcate in them the ethos of the institution with a sense of larger purpose.

Poornima Group of Colleges propose a three week long AICTE & RTU instructed induction programme for our students entering the institution right at the start. Its purpose is to make the students feel comfortable in their new environment, open them up, set a healthy daily routine, create bonding in the batch as well as between faculty and students, develop awareness, sensitivity and understanding of the self, people around them, society at large and nature.

The time during the induction programme is also used to improve and explore English Language Proficiency, Creative Expression, Team Work, Character Building, Flexibility, Technical and Analytical Skills, etc.
